DOZCO Local Roots to Global Footprints

With humble beginnings in 1983, from mining heartland of Dhanbad, **DOZCO** has evolved into a global brand with 36 PAN India locations. Our expansion includes cutting edge Manufacturing Plant, a Central Warehouse in Visakhapatnam and a Sales Subsidiary in Melbourne, Australia.

This strategic growth enhances our capacity to efficiently deliver top-quality mining and construction equipments, attachments and spares to clients worldwide, showcasing our commitment to excellence.

One-Stop Sourcing Partner for all Your Needs

DOZCO is your reliable partner in the construction, infrastructure and mining industry. With a robust PAN India network, we offer an extensive range of attachments, spare parts and high quality equipments. Our commitment extends to on-site service support, making us the trusted choice for success in these dynamic industries.

We strengthen our commitment through strategic partnerships with 10+ global brands, reinforcing our dedication to delivering quality equipment and spare parts.
